CONFIDENTIAL.

THE RESIDENCY,
BANGALORE.
11th September 1918.

My dear Sir M. Visvesvaraya

Please refer to the correspondence regarding the transfer to India of the Durbar's revenues received in London. The Government of India have recommended to the Secretary of State that the remaining half (15 lakhs) of the Durbar's War Loan Subscription should be received by him in Treasury Bills on the same terms as the first half; also the war contribution of 10 lakhs at 1s 6d per rupee

As regards the payment of the subsidy in London, the Government of India regret that no hope can be held out to the Durbar of this concession being given, since they are themselves beset with the same difficulties from which the Durbar are suffering. They add, however, that it may be possible to grant relief to the Durbar in another way which will be explained later, and with this object in view, they desire information as to the total output of the Mysore mines and the payments due from the mines to the Durbar by way of royalties and separately on other accounts such as power and water supply to the mines. I am to request that, if there is no objection, this information may kindly be furnished for submission to the Government of India.

The previous papers are with the Resident in Camp and an official communication will be sent to you as soon as they come back.

Yours sincerely,
[signature]

Sir M. Visvesvaraya, K.C.I.E.,
